

# You'll never have to hope for a successful, worry-free flooring installation ever again.

## Presenting a Lifetime Warranty\* when you use:

- ISE Logik MVRA 900
- Qualifying Taylor Adhesive
- CFI Certified Flooring Installer

ISE Logik warrants the moisture mitigation in the concrete substrate to 100% RH when MVRA 900 admixture is used. PLUS, when your flooring is installed by a CFI Certified Flooring Installer from the International Certified Flooring Installers Association, and using the correct TAYLOR Adhesive for the job, you'll get a **Lifetime Warranty\*** on the installation.

## Now, you're covered with:

- **Lifetime Warranty\*** on failures due to concrete moisture vapor emission
- **Lifetime Warranty\*** of the flooring product adhesive bond
- **Lifetime Warranty\*** of the flooring product installation performance.
